TEXT MESSAGE ALERTS

Want to know what's going on at the Teen Center? Interested in the next dance or upcoming class? Then you'll want to sign up for text alerts. It's easy.

The Benefits

Text messages from the YMCA Teen Center provide you with instant notification on what's happening at your YMCA. Messages go straight to your mobile, so it's immediate and easy to access.

Sign Up Now

Sign up is quick and easy. **Please make sure before signing up that you are aware of your text messaging service plan.** Standard rates for your service plan will apply for text messages.

Getting Started

Send a text message to 40404. In the body of the text type: follow Yteens42

You will then receive this text: "Hi. Please confirm with your name. Standard rates apply." You will need to reply with your name.

You will then receive a confirmation text, which you don't need to do anything with.

Parents

Please be sure to tell your parents you are signing up. If you are receiving this as a parent of a participant, this may not be for you. But, it might be a great way for your teenager to receive up to the minute information from the YMCA Teen Center. Please make sure before your teen signs up that they are aware of their text messaging service plan, because standard rates apply.

Alerts

Over the next few months you will begin receiving text messages. We want to encourage you to sign up, so that we can make it easy to get you the information you need. If we can answer any questions, please let me know, or connect with a member of our teen staff.

FAQ
