

YMCA  
We build strong kids,  
strong families, strong communities

## YMCA Internet Use

The use of the YMCA Internet is for the purpose of enhancing the users access to the wealth of information on the Internet. It is intended for research and should not be considered a source of entertainment. The YMCA maintains and enforces an Internet Use Policy that is available upon request (see below). For readability this statement is a condensed version of the complete policy.

Access to web sites containing the following materials is not necessarily permitted by policy: Violence, Sexually explicit material, Drug culture, Gambling, Intolerance, Sexist, Racist, Militant, Gross and Profane material.

Members/Employees/Guests access to Web Sites via the YMCA's Internet connection is not considered Personal and Private. The YMCA retains the right and does use monitoring software to both monitor and check for inappropriate access. Violating policy can result in denial of access to YMCA computers, and Net-Pulse machines and/or other YMCA facility use.

Downloading or bringing in software or the use of Instant Messengers is not permitted. Person's that come under the category of hackers/crackers or anyone found attempting malicious or mischievous damage or access to YMCA information or web site will be dealt with as criminals. The illegal use of copyrighted software and files are not permitted on YMCA equipment.

For a complete copy of the YMCA's Computer/Internet Use Policy please contact the YMCA Association Services at 503-223-YMCA. By signing this form you agree to abide by the YMCA's computer use policy. You must agree to the YMCA's Computer Use Policy prior to using computers at the YMCA.
